

**Mapping for Change: International Conference on Participatory Spatial Information Management and Communication  
KCCT, Nairobi, Kenya, 7-10 September 2005, (DRAFT PROGRAMME)**

Timing	Type of activity	Activities and Content			
<b>Day 1: September 7, 2005 TOPIC 1: Enabling and disabling environments for PGIS/community mapping practice - Plenary</b>					
08:00-09:15	On-site registration	Starting 6 PM until 9 PM on September 6, 2005			
09:20-09:25	Plenary	<b>Isaac Bekalo</b> , IIRR	Introduction		
09:25-09:35	Plenary	<b>Wilber Ottichilo</b> , RCMRD	Official Opening Address		
09:35-09:45	Plenary	<b>Hanjorg Neun</b> , CTA	Welcome address		
09:45-10:00	Plenary	<b>Mike McCall</b> , ITC	Overview of the conference agenda		
10:00-10:25	Plenary (Presentation)	<b>Robert Chambers</b> , IDS	Participatory Mapping for Change		
10:25-10:50	Plenary (Presentation)	<b>Peter Poole</b> , LEO	Is there life after tenure-mapping?		
10:25-10:50	Plenary (Presentation)	Daniel Weiner	Power and Politics in Participatory Spatial Information Management and Communication practice		
10:50-11:15	Coffee break				
11:15-11:40	Plenary (Presentation)	<b>Dave de Vera</b> , PAFID	Enabling and Disabling Environments for Community Mapping, the cases of the Philippines and Malaysia		
11:40-12:05	Plenary (Presentation)	<b>Albertus Pramono</b> , JKPP	Mapping power: Ironic effects of spatial information technology		
12:05-12:30	Plenary (Presentation)	<b>Mac Chapin</b> , ELI	Identifying obstacles, finding solutions		
12:30-13:00	Plenary (Open Forum)	Discussion on the presentations (re: Enabling and disabling environments for PGIS practice)			
13:00-14:30	Lunch break				
14:30-16:00	Parallel working group sessions	<b>TOPIC 1 (Enabling and disabling environments)</b>			
		<b>Working Group 1</b>	<b>Working Group 2</b>	<b>Working Group 3</b>	<b>Working Group 4</b>
16:00-16:30	Coffee break				
16:30-16:40	Plenary (Presentation)	Presentation by WG1			
16:40-16:50	Plenary (Presentation)	Presentation by WG2			
16:50-17:00	Plenary (Presentation)	Presentation by WG3			
17:00-17:10	Plenary (Presentation)	Presentation by WG4			
17:10-18:00	Plenary (open forum & workshop)	Discussion on the presentations followed by listing ranking exercise			
Post-plenary	Welcome cocktail				

**Mapping for Change: International Conference on Participatory Spatial Information Management and Communication**  
**KCCT, Nairobi, Kenya, 7-10 September 2005, (DRAFT PROGRAMME)**

Timing	Type of activity	Activities and Content			
<b>Day 2: September 8, 2005 TOPIC 2: Methodological Issues</b>					
09:00-09:25	Plenary (Presentation)	<b>Reiko Yoshida</b> , UNESCO	Mapping and safeguarding intangible cultural heritage		
09:25-09:50	Plenary (Presentation)	<b>Giacomo Rambaldi</b> , CTA	Participatory Spatial Information Management and Communication in Developing Countries		
09:50-10:15	Plenary (Presentation)	<b>Mike McCall</b> , ITC	Precision for Whom?		
10:15-10:30	Plenary (open forum)	Methodological Issues			
10:40-13:00	Parallel Sessions TOPIC2 Tracks 1-4	<b>TOPIC 2 / track 1</b> Methods for representing local knowledge/ mental maps (what is a community? How to approach community issues? understanding issues of power; adding authority to ISK, ...)	<b>TOPIC 2 / track 2</b> Cancelled	<b>TOPIC 2 / track 3</b> Supporting cultural heritage preservation and identity building among Indigenous Peoples and rural communities.	<b>TOPIC 2 / track 4</b> "Participatory Numbers" (issues of scale, accuracy and sensitivity in PGIS practice)
10:40-11:00	Parallel session presentation	<b>Teresa Crowley</b> : Journeys in the Mind: Cultural Aspects in Indigenous Mapping		<b>Nathaniel Nuulimba</b> : 'Our land is our life': Lessons learnt from participatory land mapping in the northern Kalahari	<b>Chiwozva Gerald</b> : The role of Standards in Participatory Geographic Information Systems (PGIS) practices
11:00-11:20	Parallel session presentation	<b>Narciso Barrera Bassols</b> : Mapping of ethnopedology and land resource management with farmers		<b>Yih-Ren Lin</b> : Whose Tradition? Whose Territory? A Critical Review of Indigenous Ancestral Domain Mapping Project in Taiwan	<b>Tsion Lemma</b> : Combining Urban Appraisal Methods, RS and GIS for Data Collection to Support the Development of Slum Improvement Policies.
11:20-11:50	Coffee break and introduction of Posters				
11:50-12:10	Parallel session presentation	<b>Gerbrand G Mans</b> : Using PGIS To Do Community Safety Audits		<b>Sheri Longboat</b> : Traditional Land Use Mapping with GIS	<b>Francis Koti</b> : (Re)Defining Peri-Urban Residential Quality of Life Using Participatory GIS in Kenya
12:10-12:30	Parallel session presentation	<b>Martin Rokitzki</b> : Participatory Mapping and Demarcation of Land Use Types and Land Resource Features Using GPS and a High-Resolution Local-Level GIS – A Case Study from Southern Malawi		<b>Silika Tuivanuavou</b> : Resource Use, Development Planning, and Safeguarding Intangible Cultural Heritage in Fiji: Lessons Learned from two Participatory Spatial Information Management and Communication Processes	<b>Ermias Aynekulu</b> : Participatory Land use/cover change mapping using PGIS: A case study in Tigray, North Ethiopia
12:30-12:50	Parallel session presentation	<b>Kate Moore</b> : Spatial Literacy, reflections from teaching international students		<b>Pascale de Robert</b> : Cartography with indigenous people in Brazilian Amazon: the power of maps in the Kayapo's experience (could be a voiced PPT)	<b>Peter Mbile</b> : Participatory Geographic Information Systems (PGIS) in the Management of Landscapes in the African Humid Tropics.

**Mapping for Change: International Conference on Participatory Spatial Information Management and Communication  
KCCT, Nairobi, Kenya, 7-10 September 2005, (DRAFT PROGRAMME)**

Timing	Type of activity	Activities and Content			
12:50-13:05	Group Picture				
13:05-14:30	Lunch break				
14:30-16:00	Parallel working group sessions	<b>Working Group T2/t1</b>		<b>Working Group T2/t3</b>	<b>Working Group T2/t4</b>
16:00-16:45	Coffee break (and Poster presentations)				
16:45-16:55	Plenary (Presentation)	Presentation by WG dealing with T2/t1			
16:55-17:05	Plenary (Presentation)			Presentation by WG dealing with T2/t3	
17:05-17:15	Plenary (Presentation)				Presentation by WG dealing with T2/t4
17:15-18:00	Plenary (Open Forum)	Discussion on methodological issues as a follow-up to WG presentations			

**Mapping for Change: International Conference on Participatory Spatial Information Management and Communication  
KCCT, Nairobi, Kenya, 7-10 September 2005, (DRAFT PROGRAMME)**

Timing	Type of activity	Activities and Content			
<b>Day 3: September 9, 2005 TOPIC 3: Implementation Issues (best practices) &amp; Way Forward</b>					
09:00-09:20	Plenary (Presentation)	<b>Rachel Olson</b>	Networking the Aboriginal Mapping Community		
09:20-09:40	Plenary (Presentation)	<b>Peter Kyem</b>	Finding a Common Ground in Multi-Party Land Use Conflicts through Community-based GIS Applications		
09:40-10:00	Plenary (Presentation)	<b>Linda Carton</b>	How to cope with map controversies in deliberative policy making		
10:00-10:10	Plenary (Open Forum)	Q&A			
10:10-10:30	Coffee break (and Poster presentations)				
	Parallel Sessions	<b>TOPIC 3 / track 1</b> Land and Resource Rights & Entitlement	<b>TOPIC 3 / track 2</b> Participatory Land Use Planning (PLUP), Collaborative Natural Resource Management	<b>TOPIC 3 / track 3</b> Participatory Land Use Planning (PLUP), Collaborative Natural Resource Management	<b>TOPIC 3 / track 4</b> Networking and communication
10:30-10:50	Parallel session presentation	<b>Peter Akong Minang</b> : PGIS and local spatial knowledge utility enhancement for community carbon planning	<b>Dhrupad Choudhury</b> : The Pivotal Role of P3DM in Community-driven Convergence of Natural Resource Management and Livelihood Security in upland Shifting Cultivation Areas: Experiences from Sasatgre, West Garo Hills, Meghalaya, India	<b>Allan Smith</b> : Participatory coastal resource mapping in Saint Lucia: local applications and regional implications	<b>Jon Corbett</b> : Using Community Information Systems to express traditional knowledge embedded in the landscape
10:50-11:10	Parallel session presentation	<b>Handja Georges Thierry</b> : Documentation of land use by the indigenous peoples of the Campo Ma'an national park and of the DJA reserve through participatory mapping.	<b>Stéphanie Duvail</b> : Cartography for local management of natural resources in villages of the Rufiji District (Tanzania)	<b>Stefan Kienberger</b> : PGIS and disaster risk management: Assessing vulnerability with PGIS methods – Experiences from Buzi, Mozambique	<b>Steven DeRoy</b> : Mapping The Road To Healthier Communities
11:10-11:30	Parallel session presentation	<b>Kenn Mondiai</b> : Difficulties faced in Mapping work to secure traditional land rights from large scale industrial developments in Papua New Guinea	<b>Carol Murphy</b> : Development of a community land-use pattern mapping procedure for Namibian communal area conservancies	<b>Sylvanie Jardinet</b> : Capacity development and participatory tools for improved land and natural resources management at local level, Community of Santo Domingo, Telpaneca, Nicaragua	<b>Daud Sulaiman, JKPP, Aceh, Indonesia</b>
11:30-11:50	Parallel session presentation	<b>P.C.Tiwari</b> - Geographic Information System for Participatory Management of Community Wasteland in the Himalayan Headwaters of India	<b>Beatrice Nabwire</b> : Community Resource Mapping in Sustainable Natural Resource Management in SW Uganda	<b>Eric Nyadimo</b> : Land Adjudication in Kenya; Time is ripe for Participatory GIS	<b>Albert Ehrensperger Julius Muchemi</b> , The potentials of Geographic Information Technologies and Systems (GITS) and Information and Communication Technology (ICT) in supporting ethnic minority advocacy efforts in the Eastern Mau Forest in Kenya.
11:50-13:00	Parallel working group session	<b>Working Group T3/t1</b>	<b>Working Group T3/t2 and T3/t3</b>		<b>Working Group T3/t4</b>

**Mapping for Change: International Conference on Participatory Spatial Information Management and Communication  
KCCT, Nairobi, Kenya, 7-10 September 2005, (DRAFT PROGRAMME)**

Timing	Type of activity	Activities and Content			
13:00-14:30	Lunch break				
14:30-14:40	Plenary (Presentation)	Presentation by WG dealing with T3/t1			
14:40-14:50	Plenary (Presentation)		Presentation by WG dealing with T3/2 and T3/t3		
14:50-15:00	Plenary (Presentation)				Presentation by WG dealing with T3/t4
15:00-15:20	Plenary (Open Forum)	Discussion of the presentations and introduction to follow-up exercise: Defining a way forward (regional break-out groups)			
15:20-15:45	Plenary (Presentation)	<b>Laurent Sedogo</b>	Institutional frameworking / constraints & opportunities / how to mainstream PGIS etc. into national spatial & environmental planning		
15:45-16:10	Coffee break (& grouping)				
16:10-17:00	Parallel working group sessions	<b>Regional Working Group 1 Elaboration of regional way forward</b>	<b>Regional Working Group 2 Elaboration of regional way forward</b>	<b>Regional Working Group 3 Elaboration of regional way forward</b>	
17:00-17:10	Plenary (Presentation)	Presentation of regional way forward 1			
17:10-17:20	Plenary (Presentation)	Presentation of regional way forward 2			
17:20-17:30	Plenary (Presentation)				Presentation of regional way forward 3
17:30-17:50	Plenary (Open Forum)	Discussion of the presentations (re ways forward- regional / global perspectives)			
17:50-18:00	Plenary	<b>Giacomo Rambaldi, CTA</b>	Closing remarks		
Evening		Farewell dinner and cultural entertainment			

**Mapping for Change: International Conference on Participatory Spatial Information Management and Communication  
KCCT, Nairobi, Kenya, 7-10 September 2005, (DRAFT PROGRAMME)**

Timing	Type of activity	Activities and Content
<b>Day 4: September 10, 2005 Field trip</b>		
08:30-08:45	<b>Julius Muchemi</b>	Introduction to the field visit
08:45-13:00	<b>Julius Muchemi</b>	Field visit

Legend:

Relaxing / energising/ networking spaces

Plenary discussion spaces/ fora

Parallel thematic sessions

Parallel thematic / geographic working groups
